Proposed Amendments to AFGW Constitution – to be adjusted by Resolutions Convener after decisions made at GWI General Assembly re membership.

A resolution re dues will need to be rewritten by the HBM after GWI General Assembly and submitted to Resolutions Convener.

Notice is given that a motion proposing Independent Membership for those in States and territories without AFGW Associations. A grace period until November is offered for existing members of GWSA

Concern was expressed about the costs of AGMs and face to face meetings of Council. The AGM in WA was made possible by the access to free accommodation for the meeting. This will need to be reassessed at the AGM

To settle the question of tied votes a by-law was passed which can be ratified at the AGM: "That, at any meeting of AFGW Inc or its committees, a tied vote be considered to be lost".

PGWNet is currently inactive but it may be possible to hold a meeting of potential member countries in Cape Town.

I extend my thanks in advance to donors of suitable small gifts for the Hegg Hoffett table in Cape Town and wish 'bon voyage' to all the travellers.
